The values set forth herein are an estimate of the current replacement cost at which the described jewelry may be purchased in a retail jewelry store and reflects the net price (price after all normal and usual discounts) at which the described or similar jewelry may be purchased at this store (unless stated otherwise). Because jewelry valuation and evaluation is not a pure science and therefore subjective, estimates of replacement value may vary from one jeweler to another and such a variance does not necessarily constitute error on the part of the jeweler. All diamond and colored stone grading herein is exclusively that of the Gemological Institute of America (GIA).

This document is given to the customer named above and their insurer. The information herein shall inure to the benefit of the named customer's insurance company to the same extent that they would the customer.
